ZEESM TL will be hosting tours and a Rally dinner along with cultural events and entertainment.

Oecusse (also known as Pante Makassar) is an enclave of Timor-Leste located on the north coast of West Timor (~ co-ordinates S09° 10' E124° 20') almost equidistant from Dili and Kupang (~ 90 NM from Dili and from Kupang). Oecusse will be automatically included on your Timor-Leste Sailing Authorisation so there is no need to decide about this destination in advance.
